

Lethbridge Iron Works Co. Ltd.

*“Our success is driven by relationships with our Employees;
our Customers; and our Suppliers”*

Vision and Values

We are a leader in the job shop market, providing our customers with the highest quality ferrous castings commercially available.

We provide a unique customer experience focused on adaptability, value added and exceptional service.

Our relationships with employees, customers and suppliers are authentic and we seek those who share the same values.

Safety above all.

We create a culture of engagement and teamwork by ensuring a positive, caring, respectful, supportive and highly productive workplace.

We are efficient, innovative and technologically advanced.

We manage growth, volatility, and reinvestment to ensure long term stability and success.

We are proud to be a good corporate citizen.
