

LETHBRIDGE IRON WORKS

QUALITY POLICY

Lethbridge Iron Works Company Limited produces quality iron castings and provides value added services for customers around the world. We are committed to ensuring that our castings consistently meet or exceed our customer's requirements, and will continually improve our Quality Management System to ensure that it meets the requirements for the standard(s) to which we are registered.

This policy statement is the basis of our quality management philosophy and reflects the commitment to excellence of all employees within the Lethbridge Iron Works Organization.
